

How to return an item

1. To request a return, follow the instructions on the despatch note sent with this parcel.
2. After confirming your items to return you will be given a returns number. Please write this and your order number in the spaces provided on this label.
3. Write your name, address and postcode/zip code on the returns label below.
4. Take the parcel and this counterfoil to a Post Office. The clerk will stamp the Proof of Posting which you should retain until the refund is received.
5. No returns will be accepted without a valid returns number.
